Dear sir/madam,

Greetings from Sahu Technologies, Mumbai

1. Internship :

Internship, it's absolutely 100 % free of cost Corporate Social Responsibility (CSR) Activity, and work from home, after completion of students, will get an internship certificate, appreciation letter, and subject expert certificate.

Internship Task - Web Development

2. About Sahu Technologies (<http://www.sahutechnologies.com/>) :

Sahu Technologies is a technology company specialized in application development & maintenance, software development, web application development, and mobile app development.

Sahu Technologies helps businesses with complete online presence from the web and mobile application development to creating online digital footprints for our customers.

Sahu Technologies's experienced team understands the idea and brings it to reality by exceeding customer expectations. Our approach depends on the size and complexity of the project as that helps us decide the project development methodology. Our aim is to develop the project using the latest tools and technology and on-time delivery with the omer expected budget. And the same is reflected in our portfolio also.

Thanks,

Best Regards,

Subject: Request for 04/06 WEEKS INDUSTRIAL TRAINING of T.E. /Third year Degree Program.

Dear Sir/Madam,

Greetings from Bharat College of Engineering, Badlapur Kanhor.

Our students from civil department have selected internship training in your Hiranandani Constructions Pvt. Ltd Organization in 20-21 year. I acknowledge the help and the support to our students during training in this year. You must be aware that then industrial internship training mandatory for all undergraduate students from academic year 2020-21. In view of the above, I request your good self to allow our following students for practical training in your organization. Kindly accord our permission and give at least one month time for students to join training after confirmation. The list of students enclosed herewith.

If vacancies exist, kindly do plan for Campus Interview for batch passing out students in these branches. A line of confirmation will be highly appreciated.

Kindly accord your permission and give at least 1-2 days time for students to join training after confirmation.

With warm regards,

Yours sincerely
