The Swachh Bharat Abhiyan is the most significant cleanliness Abhiyan by the Government of India. Under this guideline BCOE student council organized by individuals, groups, or organizations to clean up specific areas in their communities. These Abhiyan can focus on different types of pollution, such as litter, plastic waste, or electronic waste. Every year, millions of tons of waste are generated, and much of it ends up in our oceans, rivers, and forests to avoid this, such type of Abhiyan are important.

The student council BCOE volunteers organized this activity was conducted for cleaning the Railway station area of Badlapur (west).

Swachh Bharat Mission is a nation-wide campaign in India from the period 2014. It's the most significant cleanliness campaign by the Government of India. A large group of our college students and staff who cooperated in the Swachhta Abhiyan. We aimed to clean up the Bus Stop and nearby roads, streets of Badlapur(West) Thane. By accelerating the efforts of staff and students, we tried to achieve cleanliness and hygiene. We also addressed the health issues that people deal with due to lack of proper toilets and surroundings .

Digital literacy is an ever-expanding range of technical skills, abilities, and behaviors. Digital literacy and well-being digital inclusion and skills are required to participate in different facets of daily life, Emails and text messages have become the primary means of communication. Based on that idea we started to promote digital literacy and awareness programs. It's not a traditional way to teach. In this program, we have portrayed awareness regarding online data access. Digital literacy and well-being digital inclusion and skills are required to participate in different facets of daily life.

The benefits of promoting digital (online) literacy and awareness lead to the usage of online tools to solve their problems. In this program, they started by creating a guide for online resources and by setting some rules to access data which in turn led to encouraging learners and creating the E-learning content and access the live streaming data.

Cleanliness is the most important qualities of life. It is next to godliness. Cleanliness is very good for good health. Cleanliness is very important as it keeps a person away from infectious disease and viral infection thus prevents from fatal conditions. The BCOE student councils 12 volunteers along with staff not only cleaned the anath ashram area but also the adjacent area. Student volunteers got a helping hand from the Anath ashram children's as well. The collected waste was segregated (wet & dry) and disposed of safely and properly. The student volunteers also made the Anath Ashram students aware of the importance of cleanliness and clean surroundings.

This Ashram proudly provides shelter to Orphan Childrens with food, love, care, affection, and medical care. Meditation helps to remove deep emotional tension and stress. Which helps the children's to be a successful person in his/her life. Meditation keeps mind and body cool and healthy. It's the most effective method of non-medicinal treatment of the World Health Organization. In this program, we allowed anyone who wants to attend to do so. This program doesn't contradict any of the existing religions or practices.

Trees are symbols of nature, tranquility, growth, and life. They decrease carbon footprints, create oxygen, maintain clean soil, stop drought, manage flood-related calamities, stop soil erosion, and enhance physical, emotional, and spiritual well-being. In light of this, the One-Student One-Tree campaign program was launched on August 16, 2019 by the Bharat College of Engineering, Badlapur at Kanhor Gram Panchayat, Badlapur.

It is our aim that these kinds of activities will make students more aware of the need of "loving the trees until their leaves fall off, then encouraging them to try again next year."

Organizing Unit: - Student council, BCOE

Environmentally friendly awareness means understanding the activities that can harm the environment and the surrounding in other words environmental friendly awareness is to shifts of mindset towards more sustainable lifestyle. The student council of BCOE organized awareness program along with 5 staff and 48 student participants not only made them aware about the environment but also to act so by inculcating minor activities in their life. The people of gram panchayat Kanhor were advised to use the few tips for environmental friendly atmosphere.

- Reduce water unwanted usage and indulge in rainwater harvesting.
- Reduce cutting of trees and planting more trees
- Use of renewable energy like solar going for rooftop solar.
- Save electricity when not required Use of LED bulb instead of CFL/ Regular bulb for energy saving.
- Use of public transport rather than going for private vehicle if public transport not possible then go for e-vehicle.
- Stop Food wastage & Use of dustbin for garbage disposal.

Digital transformation is not about adopting new technologies but changing the mindset and skills of the people. Digital literacy is defined as the ability and skills to find, evaluate, utilize, share and create content using IT & Internet. Digital awareness is defines the sense of experience, comfortability and proficiency required for basic technology usage. For this seminar 8 staff and 32 students participated actively on 11/09/2019.

The various steps in Digital literacy are information search& evaluation, creation which means activates, material and resources, communication with digital networks efficiently, collaboration with sharing ideas & resources and finally online safety by developing critical engagement and safe practice. Thus this seminar definitely helped the staff and students and made aware about the digital literacy.

SWATCH BHARAT ABHIYAAN AT RAILWAY STATION, BADLPAUR

Venue: - Railway Station, Badlpur.

Beneficiaries: - General Public

Date: - 01/10/2019

No. of student's volunteers: - 300

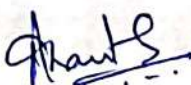

Organizing Unit: Student council, BCOE

Under the guideline of Swachh Bharat Abhiyaan, by Government of India, BCOE student council organized by individuals, groups, or organizations to clean up Railway Station of Badlapur. This Abhiyaan focus on several types of pollution, including as litter, plastic rubbish, and technology waste. Every year, millions of tons of garbage are created, most of which ends up in our rivers, woods, and seas. Abhiyaan will one day play a major role in averting situations like this.

The student council BCOE volunteers organized this activity. It was conducted for cleaning the Railway Station of Badlapur.

A Report on "Tree Plantation and Awareness on Tree Plantation"

Venue : -Online video making.

Beneficiaries: -Student Volunteers' Building Premises /nearby local Areas

Date: - 29 July. 2020

No. of student's Participant: -28

As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. Due to lockdown and pandemic Situation, Students & staff of BCOE had decided to create an online video on tree plantation in their building premises, villages and nearby local area. Not only planting the trees but also student promised that they will take care of the planted tree and also water them throughout the year and take care of the plant.

As we know trees plays significant role in ecological balance and equilibrium and by protecting trees and growing more trees, we can ensure the health of ecosystems. Students created a video in order to know the importance of tree plantation and had also given messages on the importance of tree plantations.

Now a day's road safety is a most important topic to bring more awareness in the public especially among school and college students. Road safety is an issue that affects everyone in India. Everyone needs to be well aware of the road traffic rules especially children and young people who are at significant road accident risks. It is found that most of the hospitalization cases and leading cause of death. Everyone should learn the road traffic and safety rules at a very early age to perform safer behaviors in the later life. People not following the road traffic rules and road safety measures are the main cause of such accidents on the roads

Road safety measures are the tools can save from the expensive traffic fines, serious offences, removal of driving licenses, etc. Pedestrians also know the rules of walking on the road like

- Proper use of crosswalks & Use of zebra crossing.
- Basic awareness about vehicle & Proper understanding of handling crisis situation.
- Defensive driving according to weather and road conditions.
- Wearing seat belt & avoid over-speeding & use of vehicle lights and horn.
- Well use of vehicle mirrors & understanding road lights.
- Maintaining distance of vehicle on road.

The Maharashtra day is celebrated on 1 May every year. It was started from 1 May 1960 where many freedom fighters who fought to unite the various regions of different regions of India like Bombay presidency, Vidharbh region, Hyderabad state & Deccan States Agency. The state of Maharashtra and Gujarat were formed as a result of this movement according to the Bombay re organization Act, 1960 enacted by the Parliament of India on 25 April 1960. The act came into effect on 1 May 1960 hence the reason of annual celebration.

On this day the student of council and staff gathered in the college ground and flag hoisting was done by the Principal Sir and then the National anthem was played at 08:00am. The program conclude with the principal sirs speech later sweet, snacks & tea were served to all the 38 present students, 14 staff members, all non teaching staff.

"Every vote is strong pillar of strength in our Democracy" The national voter's day is celebrated on 25 January of every year. It is responsibility of every citizen of this country to get register himself/herself in the voter list after attaining the age of 18 years. For this the Election commission of India has started a new system of registering the new voters name in the electoral list online on this website <https://voters.eci.gov.in/>

We the students and staff of BCOE along with BLO, Kanhor made people of Gram Panchayat aware about the importance of casting a vote. For casting vote they should enroll their names in the electoral list. We guided people and register new applicants who have completed age of 18 years. Around 32 new applicants were registered by our volunteers. Also on the above website we showed them not only they register new applicant name but also we can delete the name, shift the constituency, correction of entries in existing electoral roll & replacement of EPIC. Thus this program was a great success.

As we all aware that after the COVID-19 pandemic people we eager to take the vaccination and lower the percentage chances of getting infected. Although govt. have done their best to distribute the vaccine to every citizen of India. But due to less man power in govt. hospital it was very difficult for the hospital staff to manage the crowd. We the students and Staff of BCOE volunteered the vaccination center and helped the crowd to manage efficiently with care of COVID-19 Precautions like social distancing and other safety measures.

In this activity nearly 27 students and 4 staff of our college participated. Also we made sure that the volunteers from our college should have been vaccinated, so that they don't get infected with COVID19. Also during the activity our some students and staff also helped the general public by registering their data on COWIN app for smooth conduct of vaccination drive.
